## What a Great 1<sup>st</sup> Week!

### This week...

What an awesome first week! I am so proud of 1 H! They have done a great job getting to know each other and learning many of the classroom routines and procedures. We have spent a lot of time playing cooperative games and learning about each other. It was fun to begin sharing our favorite books. I am looking forward to reading the rest this week and also seeing and hearing all about what the kids chose to put in their brown paper bags.

I have really enjoyed meeting your children (and you!) and getting to know them a little better – I am looking forward to a fantastic year!

### Thank you

Thank you to all of the parents who have already returned the multitude of forms we ask you to fill out at the beginning of the school year! Thank you also to those of you who have had a chance to send an old shirt and sock.

### Guinea pig...

We have a classroom pet named Ginger. He is quite shy and is still getting to know all of the children. Starting in about a month I would love it if families would like to volunteer to take him home for the weekend. That way he will not get

lonely here at school! If you think that you might be interested in having him visit your home please just let me know via an email ([rholder@cacegypt.org](mailto:rholder@cacegypt.org)) or note. Thank you!

### Library...

...class starts on Monday. Please send your child's student ID so that the librarian can make a copy of it. This copy will be used for borrowing throughout the year.
