

Dear CAC Community,

March and April were busy months for the Board. The Board Community Representative Election was one of the high points. As the CAC community has put forth ten of its best, the election yielded two highly qualified Member-Elects. Please join us in welcoming Cindy Clarke and Melanie Nelson. Cindy's extensive Board experience and Melanie's intimate knowledge of the CAC community will certainly be invaluable in helping maintain the successful partnership between school Board and community.

In addition, CAC has the honor, privilege, and pleasure of welcoming Egyptian Minister of Finance, Dr. Youssef Boutros Ghali, as an appointed member of the Board of Trustees. As CAC looks forward to a major upgrade of the Maadi campus, Dr. Ghali's financial expertise will be of enormous value to the Board and to the school.

The new trustees, whether elected or appointed, will assume their responsibilities on June 7th, 2007 and will serve for two years.

The Annual General Meeting (AGM) was held on April 16th, where the Administration and Board reported on the current state of the school, and received feedback from the community. Answers to most frequently asked questions regarding the pending construction project are now posted on the CAC website. Also, you can view the latest drawings of the project in a bulletin board by the Health Office and on the Website. When a 3D model becomes available, its location will be announced. Please feel free to contact Project Manager, John Hollenbach, at 755-5503 or jhollenbach@cacegypt.org if you have any questions.

As always, the Board may be reached by calling Executive Assistant, Iman Bishara, at 755-5509 or writing to board@cacegypt.org. In addition, Board members' e-mail addresses and cell phone numbers are published in the PTO phone directory. We are always glad to be of assistance. Minutes to Open Session meetings are posted on the website and displayed in the Bulletin Board by the Health Office. We welcome your questions and value your input.

The Board's next and last Open Session meeting is scheduled for Tuesday, May 15th, at 6:00 p.m., in the Boardroom. We look forward to seeing you there.

Sincerely,
Nivine Captan-Amr
