Dear CAC Community,

On behalf of the CAC Board of Trustees, it is an honor and a pleasure to welcome both new and returning students, families, administration, faculty, and staff. We sincerely hope that 2006-2007 brings you peace, success, and fulfillment.

The CAC Board of Trustees is here to serve you and future generations by safeguarding the CAC Mission and securing all that is necessary to continue our tradition of excellence. While the daily operation of CAC rests in the capable hands of our Superintendent, Monica Greeley, the Board of Trustees is freed to look down the road towards the future. To pave this road, it takes strong vision, much planning, and plenty of teamwork. YOU are an important part of our team. Your interest and involvement not only sustain CAC, but, more importantly, they send a clear and strong message to your children that school is important.

This year, CAC will take its first steps towards an exciting future as the execution of the new Maadi Campus Master plan begins. As you have undoubtedly proved to be invaluable in the planning phase, we have every intention to continue to count on your feedback and support throughout the process. Events such as Town Hall Meetings (to be announced) are golden opportunities for you to leave your mark. In addition, please preempt your schedule on the 3<sup>rd</sup> Tuesday of every month from 6:00 to 8:00 p.m. and join us at our Open Session Meeting.

We look forward to all opportunities to see you.

Sincerely,

Nivine Captan- Amr
