

Dear CAC Community,

It is with great pleasure that we, the CAC Board of Trustees, welcome both new and returning students, families, administration, faculty, and staff. We look forward to yet another joyful, successful, and fulfilling year.

The CAC Board of Trustees is here to serve you and future generations by safeguarding the CAC Mission and securing all that is necessary to continue our tradition of excellence. While the daily operation of CAC rests in the capable hands of our Superintendent, Monica Greeley, the Board of Trustees is free to look down the road towards the future in order to make sure that decisions made today only enhance and brighten the future of CAC. To pave this road, it takes strong vision, much planning, and plenty of teamwork. YOU are an important part of our team. Your interest and involvement not only sustain CAC, but, more importantly, they send a clear and strong message to your children that school is important.

Last year, CAC reaffirmed its strong commitment to creating a world class campus facility. This fall will see the completion of the planning phase for the building of the new Elementary School and the renovation of the Administration Building. It is with great anticipation that we await the commencement of implementation during Winter Break. All efforts will be made to keep you updated of all new developments.

Beginning in September, Board meetings are held on the third Tuesday of each month at 6:00 p.m. in the Board room, and are open to the CAC community. In addition, there are numerous opportunities for your participation which will be announced via email and posted on the website.

We look forward to all opportunities to see you.

Sincerely,

Nivine Captan-Amr Board Chair
