### Reminder from the CAC Health Office

All new students and **all students entering Grade 7** and Grade 9 need to have a physical examination completed by a physician for the 2007-08 school year. The forms have sent home with your student, or you can access the form on the CAC website under Health and Safety. **Please be sure the form is fully completed and return to the Health Office no later than September 1, 2007.** Routine physical checks ensure your children are healthy, growing well, and able to learn and participate fully at school and on all school related field trips.

Enjoy a great summer!!

### Dear Parents,

The campus is quiet today but our minds are full of memories of the past week and academic year. We put closure to a positive and productive school year with the Promotion Night for Grade 8 , grade level activity day and the Recognition Assembly. Grade reports were distributed this week and we thank the faculty for their professional efforts to prepare grades and comments for each student.

We appreciate your support over the past two weeks in helping your child return all library materials and textbooks. Those students who have not received their report card because of outstanding items may come to the Middle School office next week to settle these matters.

The summer period is a chance to relax and enjoy time with family members. It is also a perfect time to travel, exercise and read. May all of you enjoy the summer break and please return safely for another year of teaching and learning at CAC or wherever your next destination takes you. Have a good summer and see you on August 19!

Sincerely,

**Michael Popinchalk**  
Principal

**Mark Anderson**

### Guidance Corner

Reports cards were distributed on Wednesday, June 6 during homeroom. Before a student could receive his/her report card, all books and debts to the school had to be cleared. Grades will not be exported to Edline this marking period, but they will be available via Polar one week after the end of school.

The counselors wish students and families a safe, relaxing, and rewarding vacation period. For those of you moving on, we wish you safe travels, a smooth transition into new schools and positions, and a reminder not to forget those you left behind in Maadi and at CAC.

Summer is a time to recharge the batteries - read comic books, swim, take mountain or beach walks, and to spend time with family to make for all those missed hours during the year. We do recommend that all students (and parents, for that matter) read during the summer - in English and for those with the ability, in Arabic, Spanish, French, Swedish, Dutch, Malay, Erdu, Hindi, Italian, German, and all the other native languages of our student population. Reading is pleasurable AND it also increases our knowledge, vocabulary, and ability to write. Set a goal for yourself-how many books will you read this summer?
