## ***Wishing Everyone a Happy Holiday!***

As exams have come to a close, we all look ahead to the holidays and reunions with family and friends. This semester has been extremely busy, and students and faculty have worked very hard to make it a successful learning experience. We would like to thank everyone for their help, support and understanding throughout the first semester and wish everyone a very safe and happy Holiday Season!

## ***Student Health Records Due January 18, 2006***

Just a friendly reminder that if you received a letter this past week regarding past due health records for your child, these official records must be received by the Health Office by no later than Thursday, January 18. Because health and safety is always a primary concern for us, we have an obligation to maintain up-to-date health records for all students. We thank you in advance for your understanding and cooperation.
