Second Quarter Assessment Schedule

To help students alleviate some of the stress of many tests and quizzes during the final days of the first semester, a second quarter assessment schedule has been created. This schedule is now posted on the Bulletin Boards around the high school, and the dates are between now and Wednesday, December 17. We are asking all students to record the dates of their tests into their planners and prepare properly for these assessments. Your help and encouragement in these last weeks of the second quarter are always important to help your child do his/her best during this academically rigorous time.

End of Quarter Two – December 18

The last day of quarter two is Thursday, December 18. This is a reminder that there are many student assignments and tests that will need to be completed before this date, and your help with keeping your child focused and concentrated on his/her studies is important. Thank you for helping to maximize student learning by being directly involved in your child's learning.

Lockdown Drill

As part of our general emergency procedures, we conduct various practice drills throughout the school year. For this procedure, there will be an all school lockdown drill before the winter break. This drill, among other types of drills, is part of the CAC safety plan to ensure the well-being of students, teachers and staff on campus in case of threats.

Special Services Program

Dear Parents,

You will have heard by now that we are conducting a review of our special services program at CAC. One aspect of this process is the visit of a Special Needs consultant, Ms. Ann Erler, from January 13th through 15th. She will visit with students, faculty, administration - and you. We have scheduled two opportunities for you to meet with her: Wednesday, January 14th, from 6:00 to 7:30 p.m. or Thursday, January 15th, from 11:00 to 12:00. Both meetings will be in Room 600.

We hope to see you at one of these gatherings.
