IB/AP Mock Exams

IB/AP mock examinations were successfully completed, and we are presently accepting feedback from students, parents and teachers on how improvements can be made for next year's mock exams; please email your comments to Rob DeWolf or Mark Pleasants. Hundreds of exams were written, and teachers are presently grading these exams and posting scores on POLAR. Special thanks go to Theresa Hurley, IB coordinator, and Lucy Hany, IB executive secretary, for all their organizational and facilitative efforts to make mock exams a successful learning experience for students.

FCD Consultants at CAC

The consultants from Freedom from Chemical Dependency (FCD) have completed their two-week workshops at CAC. FCD, based in Newton MA, provides alcohol and other drug education to U.S. and international school communities. Students received programming in small group settings in addition to having the opportunity to meet with one of the consultants on a drop-in basis for further conversation. The overall goal of programming was to address individual/group attitudes and behavior thereby minimizing the risks of substance use and abuse. We thank for the FCD representatives, Mr. Tim Ryans and Ms. Connie Kim, for joining us here at CAC and doing an excellent job interacting with CAC students on these important issues.

Successful Week Without Walls Showcase Night

The Week Without Walls Showcase Night took place last Tuesday, and we wish to thank all parents and students who participated in this event. This showcase was a celebration of Week Without Walls, and it was a time to share with you as parents the many varied student-learning experiences gained within the WWW week. Thanks again to all parents who attended.
