Program of Studies Booklet

Next year's Program of Studies for grades 9 to 12 is now completed and will be distributed to students beginning March 4. We encourage you to look through the many exciting courses available and help your child make suitable choices. Please look through the various IB information section provided as well as the graduation credit courses available to high school students.

Week Without Walls Parent Evening

The final Week Without Walls pre-travel parent meeting took place on Monday, and we wish to thank all the parents and students who took the time out of their busy schedules to attend these very important informational sessions. Parent questions were answered by course sponsors, and we are ready for final preparations as we head toward our Week Without Walls program that runs from March 16 to March 23. If you have any further questions as we approach these dates, please contact us at your convenience.

Congratulations to the Jazz Ensemble

Many parents and students attended the Jazz Night performances that followed the WWW pre-travel parent meeting on Monday. It was a huge success with a large audience and fine quality of music presented by the jazz quartet and the Jazz Ensemble. A hearty thank you to all involved.

Booster Club Thank You

A special thank you goes out to all the booster club members and parents who support the CAC athletic program by working in the different food booths, organizing the different t-shirts, sweatshirts and bags sales. Their hard work to the programs at our school is greatly appreciated.
