Promoting Sun Safety

As the weather gets hotter, it is important that we promote the use of sunscreen and hats with students. Damage from the sun is something we all need to be concerned about, and your help promoting sun safety is important to our school community.

Parents of Seniors, this is a great event for your seniors and will be modeled on the rules After Prom uses to ensure this is a safe alcohol and drug-free night of fun. Please show your support for the Class of 2008.

You will be contacted by email and asked to provide contributions to the food and snacks for the evening.
