## High School Administration Announcements

### **Early Release Day – April 22**

Please make note that students will be dismissed at 11:30 am on April 22<sup>nd</sup> as it is an Early Release Professional Development Day for faculty.

### **No School – April 25**

Please make note that there will be no school for students to observe the Sinai Liberation Day Holiday on Wednesday, April 25<sup>th</sup>.

### **Information for Seniors**

Important information regarding graduation and end of the year procedures was emailed home to all parents of seniors as well as to the school gmail account for all senior students. If you did not receive the email, please contact Nagwa Farid ([nfarid@cacegypt.org](mailto:nfarid@cacegypt.org)) and she will forward you the information.

### **WWW Update**

The Week Without Walls steering committee comprised of faculty, students and parents met earlier in the week and solidified the list of 22 trips that will run next academic year. Planning for the trips can now begin!

The committee also reached a decision regarding the order in which students will choose their trips. They have decided that the first ¼ of the alphabet will get first pick as that is where the rotation would naturally lie had WWW gone forward the past two years. While they know that some alphabetical groups will view this as a disappointment, the committee felt this was the best course forward.
