\* **Students scheduled for 3 exams this day may make alternative arrangements with teachers to take exams earlier in the week or on the make-up day.**

- Seniors are exempted from final exams.
- Assessments in the performing arts, visual arts, and physical education will take place prior to this schedule. Students will not report to these classes for final exams during final exam week.
- Exams are designed to take two hours. Students must stay in the exam area for a minimum of 90 minutes. Students who finish their exams before 90 minutes may read or study. Students leaving after 90 minutes must leave the exam areas to avoid disturbing those still taking exams.
- The library will be open for quiet study during the exam periods.
- Students are not to remain in the buildings after their exams, but must leave the campus immediately after finishing their last exam of the day. Buses will depart promptly at 12:45.
- Students must be present for all their exams. The only valid absence for a final examination is a serious illness documented by a doctor's note or family emergency. Oversleeping and family holidays are not acceptable reasons to miss an examination. Missing a final exam means no credit for that examination.
- Students who have two science and/or math classes or 3 exams scheduled on one day will arrange separate testing times for their additional exams with their teacher.

***Medical Requirements for Students***

It's the end of the year, and we're all looking forward to summer. All new students and all students entering grades 1,3,5,7, 9, and 11 need to have a physical completed by a physician for the next school year. The forms will be sent home with your student, or you can access the form on the website under Health and Safety. Please be sure the form is fully completed and return to the Health Office no later than Sept. 1. Routine physical checks ensure your children are healthy, growing well, and able to learn and participate fully at school and on all field trips.
