Also for your information, Quarter One ends on Thursday, October 11, and high school first quarter student report cards will be distributed on Tuesday, October 23 during second break (1:20 p.m.).

Fire Drill at CAC

Yesterday, Wednesday morning, a successful fire drill took place; students exited the high school building quickly, quietly and with purpose. When they reached the field assembly area, they sat in rows while attendance was taken and passed to runners. This fire drill procedure is one very important aspect of safety at CAC, and a high standard is maintained to ensure student and staff safety while on campus.

Week Without Walls

From January 25 to February 1, all high school students will participate in the Week Without Walls (WWW) course program. The WWW handbook will be available on Wednesday, October 17, and the first WWW Parent Information Night will take place on Tuesday, October 23. We look forward to seeing you at this important evening event to share details of the program and respond to any questions you may have.

World Peace Day: September 20

The elementary, middle and high school divisions are commemorating World Peace Day today. This is an important date here at CAC, and we hope that you may come to join us in the multitude of activities that are taking place on campus.

Student Photos in the High School

High school grades 9-11 student photos will be taken in the Gallery from Sunday, September 23 to Thursday, September 27. Student pictures will be used for the yearbook, and picture-taking will take place during student flex periods. It is important that all students have their pictures taken, and if you are interested to order 'picture packages' from the photographer, Mr. Hany at Hany Photo Quick, he will provide package prices in the coming weeks. Mr. Hany can be reached at 2359-4695.
