

## WWW Behavior Code

Positive and appropriate behavior is expected and encouraged throughout the course. It is unacceptable for students to inconvenience others and/or jeopardize the safety of themselves or others. Students must meet chaperone expectations, have the appropriate background for the course, and be supportive of the group.

**The use of smoking and/or chewing tobacco, illegal non-prescription drugs, alcohol, visiting “off-limits” areas, and flagrant curfew violations will not be permitted during any WWW course.**

**During the WWW program, chaperones have full authority to send home any student whose conduct is objectionable or harmful to the group. Chaperones have jurisdiction whenever conflict exists. If conditions create changes to the itinerary or activities, the chaperones’ decision will be final.**

Students may be sent home, at the parents’ expense, for the following infractions:

- Use and/or possession of illegal non-prescription drugs
- Use and/or possession of alcohol
- Flagrant violation of curfew

Any student committing the above infractions will be placed in a “Supervised Activity” during the next Week Without Walls program.

In addition to the infractions noted above, students must be reported to the high school administration for disciplinary action upon return to school for the following infractions:

- Breach of curfew
- Failure to meet the responsibilities of the course (tardiness, absences)
- Gross misconduct

Disciplinary problems related to alcohol and/or drug use during WWW courses will result in that student not participating in WWW or any out-of-Cairo travel for a full calendar year. **In addition, grade twelve students disciplined for alcohol or drug use while on a WWW course will not be allowed to participate in the graduation ceremony in June.** Other disciplinary problems, such as disrespect or gross misconduct, may result in no out-of-Cairo travel for the remainder of the school year and/or other disciplinary measures deemed appropriate by the high school administration. All laws of the host country must be observed.

By signing below, I acknowledge that I have read and understood the high school WWW Behavior Code.
