

CAC Tuition and Fee Schedule 2022-23

Cairo American College (CAC) provides students with a rigorous co-curricular education of exceptional quality. Tuition and fees paid by families are essential to fulfilling the CAC Mission and providing a safe and welcoming campus for all students. Our tuition rates and fees are competitive with those of our peer schools in the European Council of International Schools (ECIS), The Near East South Asia Council of Overseas Schools (NESAS), and the National Association of Independent Schools (NAIS). All tuition and fees must be paid in USD with the exception of busing fees. For students who are enrolled as Egyptian citizens, tuition and fees can be paid in Egyptian pounds.
